### Golf Jokes

A deaf mute steps up to tee off on the first hole of a golf course, when a large burly guy yells "Hey You!, Nobody tees off ahead of Big Ralph". Being deaf the poor guy continues to prepare for his shot, so Ralph runs up thinking the deaf mute is being obstinate, and knocks the poor guy to the ground, kicks his ball away, and prepares for his own shot. After Ralph has hit the ball and proceeded down the fairway after it, the mute gets up brushes himself off, waits a moment, and again prepares his shot.

The deaf mute then hits a beautiful shot straight up the middle of the fairway, striking big Ralph in the back of the head, and knocking him unconscious. The mute then walks down the fairway rolls big Ralph and holds up four fingers in front of Ralph's face.

.....

A golfer is in a competitive match with a friend, who is ahead by a couple of strokes. The golfer says to himself, "I'd give anything to sink this next putt."

A stranger walks up to him and whispers, "Would you give up a fourth of your sex life?" The golfer thinks the man is crazy and that his answer will be meaningless, but also that perhaps this is a good omen, so he says, "Okay," and sinks the putt.

Two holes later he mumbles to himself, "Boy, if I could only get an eagle on this hole." The same stranger moves to his side and says, "Would it be worth another fourth of your sex life?" The golfer shrugs and says, "Sure." He makes an eagle.

On the final hole, the golfer needs yet another eagle to win. Though he says nothing, the stranger moves to his side and says, "Would you be willing to give up the rest of your sex life to win this match?" The golfer says, "Certainly!" He makes the eagle.

As the golfer walks to the club house, the stranger walks alongside and says, "You know, I've really not been fair with you because you don't know who I am. I'm the devil, and from now on you will have no sex life." "Nice to meet you," says the golfer. "I'm Father O'Malley."

.....

"I love the women's tees on this course!"

This man goes to confession and says, "Forgive me father for I have sinned." The priest asks if he would like to confess his sins and the man replies that he used the "F-word" over the weekend.

The priest says, "Oh okay, just say three Hail Marys and try to watch your language."

The man replies that he would like to confess as to why he said the "F-word". The priest sighs and tells him to continue.

Well father I played golf on Sunday with my buddies instead of going to church.

The priest says, "And you got upset over that and swore?"

The man replied, "No, that wasn't why I swore. On the first tee I duck-hooked my drive well left into the trees."

The priest said, "And that's when you swore."

The man replied, a little testily because of the constant interruptions, "No, it wasn't. When I walked up the fairway, I noticed my ball got a lucky bounce and I had a clear shot to the green. However, before I could hit the ball, a squirrel ran by and grabbed my ball and scurried up a tree."

The priest asked, "Is that when you said the 'F-word'?"

The man replied, "No, because an eagle then flew by and caught the squirrel in its sharp talons and flew away."

The priest let out a breath and queried, "Is that when you swore?"

The man replied, "No, because the eagle flew over the green and the dying squirrel let go of my golf ball and it landed within 5 inches of the hole."

The priest screamed, "Don't tell me you missed the f..... putt!!!"
